At Sea Again (feat. Selah Sue)

Slime

You don't know, don't know
You don't know, don't know
Waiting on you
You don't know, don't know
Waiting on you
Waiting on youBut when I ask you
Done like to have before
How to stop this all turning on
Certain things will go our way
Certain things will go our way
Tell your words to meet me
So if you got something trying to get to me
Certain things will go our way
Certain things will go our wayDon't look shallow, touch you
I know I shouldn't
But I have to go, here to be so long
I do realize the things that you do, yeah
I hope that you hear me
This time you go alone
This time you go alone, yeah, yeah
I don't doubt you
