

Suffer

Simply Red

Something deep inside of me
That when it comes it won't bring too much prolong
I don't know how hard it'll be when I suffer
Affection is a start for me, I hope it's gonna move on, move on
This time it's gonna be hard for me I don't wanna suffer I fight it hard when it tears my heart
Oh when I want someone I gotta have someone
When I come to the conclusion
So scared I don't want to fall Please don't make me suffer
Please don't make me suffer
Please don't make me suffer
Please don't make me suffer Did he break his broken heart for you
Oh no mother he never loved a single other person
This time it's gonna be hard for me, I don't want to suffer I fight it hard when it tears my heart
Oh when I want someone I gotta have someone
And when I come to the conclusion
So scared I don't want to fall Please don't make me suffer
Please don't make me suffer Don't make me suffer, don't make me
I'm not hard enough, I'm not strong enough, no, no, no
No, no, no, no, no
I'm gonna fight all the pain inside my heart
No, no, no
