

On The Way (feat. DJ Nicholas & Sherwin Gardner)

Deitrick Haddon

ON THE WAY

1

I wake up this morning
So excited
Favor is in the air
And I can't deny it
You see something good is going to happen
I can feel it in my soul
Excuse me if I start dancing
Cause somehow I know
Chorus
It's on the way on the way
Just what I've been praying for
Is on the way
Hallelujah there ain't no delay
Cause I believe it's on the way.
Yeah on the way

OOOOOOooooooo oooooooo oooooooo rep 2

2

God knows I've been waiting
For a long time
And it seems like opportunities
Have passed me by
Sometimes a blessing delayed
Doesn't mean that it's denied
Never give up on your dreams
Gotta keep faith alive and believe it's
(Chorus)Deitrick
Every dream, every desire
Every good thing we'll all acquire
Through hard work through fire
Nothing can't stop we say devil is a liar.
Through the sermon through the fire
If you know your blessing can't retire
Lift up your hands and lift your mouth higher! Sherwin Gardner let's go
I wanna see your hands up
Wanna see your flags up
Everybody in de place
I see you rocking with us
This one is for you to get out of your seat

Give God the praise cause He is been sweet
O na na na na na na na ni
Dance like your crazy for the most high
Yeah so no matter what people say
Keep moving on cause it's on it's way.
