Anyway You Want It

Rise Against

Any way you want it
That's the way you need it
Anyway you want itShe loves to dance
She loves to sing
She does everythingShe loves to move
She loves to groove
She loves a lot of thingsAll night, all night
Oh, every night
So hold tight, hold tight
Oh baby, hold tightShe said, any way you want it
That's the way you need it
Any way you want itAny way you want it
That's the way you need it
Any way you want itI was alone, I never knew
What good love could do
Then we touched and we sang
About the lovely thingsAll night, all night
Oh, every night
So hold tight, hold tight
Oh baby, hold tightShe said, any way you want it
That's the way you need it
Any way you want itShe said, any way you want it
That's the way you need it
Any way you want itShe said, all night, all night
All night, oh baby, hold tightAny way you want it
That's the way you need it
Any way you want itAnd she said, any way you want it
That's the way you need it
Any way you want itShe said, any way you want it
That's the way you need it
Any way you want itShe said, any way you want it
That's the way you need it
Any way you want itOh, every nightAny way you want it
That's the way you need it
Any way you want itOh baby, hold tightAny way you want it
That's the way you need it
Any way you want itOh, every night
