

Music Is My Alibi

Mark With a K

Take me, as I am
Take my life, Take my sin
Free me, from? everythin'
That I despise, I'm giving in
 No faith, in this life
 Music is my alibi
Take me, back where it began
 The faith in me
 Ohoohohoohohohoo
 From dusk 'till dawn
 Ohoohohoohohohoo
 We grow strong
 Ohoohohoohohohoo
 We stand and fight
 Ohoohohoohohohoo
 Break free, tonight
We grow bigger every day and every night.
 We bring the noise..... FIGHT!
