

# My Precious

## Lifehouse

Can't hold you down  
Can I be you  
There's nothing I can do  
A slave to your handsClimb up above  
Your precious time  
Don't worry your time  
Don't hurry your mindWhere did you go?  
Where did you hide?  
All I can do  
Is watch you pass byClimb up above  
Your precious time  
Don't worry your time  
Don't hurry your mindEvery time I try to take it back  
I know I don't wanna live like that  
I'll wait for tomorrow  
Too tired to go the other way  
Too late to wait another day  
I'm going onClimb up above  
Your precious time  
Don't worry your time  
Don't hurry your mindClimb up above  
Your precious time  
Don't worry your time  
Don't hurry your mind
