

# Contagious

## The Pop Royals

I'm flying down the fast lane  
Doing ninety five, ninety things on my brain  
Don't know where the hell I'm going  
But I'm going after you  
I'm jumping on the last train  
Got this crazy kind of feeling that I can't explain  
Don't know where the hell I'm going  
But I'm going after you  
And I know you think I'm crazy  
And I dress up like I'm four  
I don't do dinner and movies  
But if I showed up at your door  
Would you give me one more minute?  
The story's far from finished  
We could fill in all the pages  
I'm feeling sick, girl, you're so contagious  
Just wanna say I miss you  
I caught it when I kissed you  
And I've been through all the stages  
I'm feeling sick, girl, you're so contagious  
I'm feeling sick, girl, you're so contagious  
It was raining on a Wednesday  
Doing ninety five, ninety things left to say  
Told myself to keep on driving  
'Cause I left my heart with you  
I never thought that I could walk away  
Every second I'm regretting that I didn't stay  
How could I just keep on driving  
When I left my heart with you?  
You think all my friends are crazy  
And I know you hate my car  
Well, I don't drive a Mercedes  
Would it be that hard?  
To just give me one more minute  
The story's far from finished  
  
We could fill in all the pages  
I'm feeling sick, girl, you're so contagious  
Just wanna say I miss you

I caught it when I kissed you  
And I've been through all the stages  
I'm feeling sick, girl, you're so contagious  
I'm feeling sick, girl, you're so contagious  
How can I get a second chance?  
Don't want you slippin' out my hands  
Maybe the words would come out right this time around  
(Does this sound contagious?)  
Just hear me out before I go  
Things that I wanted you to know  
Just let me in tonight and I won't let you go  
(Does this sound contagious?)  
Would you give me one more minute?  
The story's far from finished  
We could fill in all the pages  
I'm feeling sick, girl, you're so contagious  
Just wanna say I miss you  
I caught it when I kissed you  
And I've been through all the stages  
I'm feeling sick, girl, you're so contagious  
Would you give me one more minute?  
The story's far from finished  
We could fill in all the pages  
I'm feeling sick, girl, you're so contagious  
Just wanna say I miss you  
I caught it when I kissed you  
And I've been through all the stages  
I'm feeling sick, girl, you're so contagious  
I'm feeling sick, girl, you're so contagious  
I'm feeling sick, girl, you're so contagious
