

Universe

Savage Garden

Hey hey yea
Well I'd like to take you as I find you
Imagine our clothes are on the floor
Feel my caress so soft and gentle
So delicate you cry for more But you know baby
You know baby does it right
And you know baby does it right Universe inside your heart
You gotta let me know so you can be free baby
You wanted it so much and now that it's over
You don't know what you want Put time in a capsule
Two minds consensual
Entwined to perfection
If we could Cuddle up close lay on my chest now
Listen my heart beats coming down
If you get tired you close your eyes now
When you wake up I won't be found 'Cause I know baby
I know you're the nervous kind
With so much going on in your mind Universe inside your heart
You gotta let me know so you can be free baby
You wanted it so much and now that it's over
You don't know what you want But let me tell you that this time
I'm going to make you mine
'Cause I know, this time
I'm going to make sure I look out for me 'Cause you know baby
Well you know baby does it right
And you know baby does it right
You will only end up lost in loneliness
And wake up with the words already on your lips So I'll let you go, baby
Ooh baby, yea
So I'll let you go Universe inside your heart
You gotta let me know so you can be free baby
You wanted it so much, and now that it's over
You don't know what you want
