

L.O.V.E.

Christina Milian

Oooohh Ooohhh[JOE:]

Joey...Christina

We're gonna take ya to the 80's

I'ma hold you down though Look, we tired of the same old chit chat lame oh

mami frame low make dude chain smoke

we could do things slow as if you ain't know

all real them other dudes ain't joe

they'll put you in canaries temporarily

but you know the can't compare to me

can't come close, pop cham one toast

till I'm on my knees with your hand numb froze

now why you actin like you can't come close ma[CHORUS:]

Things about to change

I won't just give

my heart away

'cause when I do

it's gonna be forever

You're blowin' my mind

so this might be

the last time

I'm fallin

L-O-V-E forever[VERSE 1:]

I don't need love

If love is gonna hurt me

No need for trust

if trust just keeps me cryin'

I think you can see

you can see that I love playin'

I'm not the way I used to be

Understand just what I'm saying[CHORUS:]

Things about to change

I won't just give

my heart away

'cause when I do

It's gonna be forever

You're blowin' my mind

so this might be

the last time I fall in

L-O-V-E forever[VERSE 2:]

I've come a long way
You can say I've learned some lessons
To never wear my heart up on my sleeve
And always keep from guessin'
But it's hard not be naive
'cause you're saying all the right things
And I won't fall for words
So this time you gotta show me things[CHORUS:]
Things about to change
I won't just give
my heart away
'cause when I do
it's gonna be forever
You're blowin' my mind
so this might be
the last time
I'm fallin'
L-O-V-E forever[REPEAT CHORUS][BRIDGE:]
Understand that I
I don't know what to do
It's happening again
I get that old feelin' again
But before I give in now we were both grown, both done with the practice round
let me prove to be different from your average clown
it's safe go ahead baby put the baggage down
i ain't tryin to bend you over just tryin to win your over
take out chin chins on the sofa
relax a little maybe then get closer
feel like i feel relate to joe bae
you make bein in L.O.V.E. so easy
pushin me up some like pa go easy
ma don't believe, trust n come see about it
we on the same page baby girl we about it
enuf with the talk game boo let me be about it
[REPEAT CHORUS]
