Pixie

Ani DiFranco

I'm a pixie, I'm a paper doll
I'm a cartoon
I'm a chipper cheerful free-for-all
And I light up a roomI'm a color-me-happy girl
Miss. Live And Let Live
And when they're out for blood

I'll always giveThe man behind the counter looks like he's got

A half a dozen places he'd rather be

And furthermore it looks like he's prepared

To take it all out on meBuddy, I don't really care what your problem is

Just don't make it mine

Come on kids, let's all hold hands

And pretend we're having a good timeMaybe you don't like your job

Maybe you didn't get enough sleep

Well, nobody likes their job

Nobody got enough sleepMaybe you just had

The worst day of your life

You know there's no escape, there's no excuse
So just suck up, suck up and be niceBe nice, be nice, be nice
Be nice, be nice, be niceAll the privileged white kids on TV
Playing at death

Brandishing their cold cuts with their ghostly make-up And their heroine breathAnd all the little fishes are flapping Wildly on their hooks

While all the top critics find great meaning
In the telephone bookAnd the little emperor, he has no clothes
So he can't come out to play

And besides which life is suffering And he likes it that wayAnd the little guy is not so friendly

But you know life has been cruel

So wipe that smile off your face, baby

And try to be coolMaybe you don't like your job

Maybe you didn't get enough sleep

Nobody likes their job

Nobody got enough sleepMaybe you just had

The worst day of your life

But you know there's no escape and there's no excuse So just suck up and be niceBe nice, be nice, be nice Be nice, be nice, be niceYeah, I would like to perfect the art Be studiously aloof
Like life is just a boring chore
And I'm living proofI could join forces with an army
Of ordinary hipsters
Then I guess I'd be out of a job
So I guess that's out of the picture'Cause I'm a pixie, I'm a paper doll
I'm a cartoon
I'm a chipper cheerful free-for-all
I light up a roomI'm the color-me-happy girl
Miss. Live And Let Live
And when they're out for blood
I'll always give
