

Take Me Down

Smashing Pumpkins

Take me down to the underground
Won't you take me down, to the underground?
Why oh why there is no light?
And if I can't sleep, can you hold my life?
And I, and all I see is you And take my hand, I lost where I began
In my heart I know all of my faults will you help me understand?
And I believe in you you're the other half of me
Soothe and heal when you sleep, when you dream
I'll be there if you need me, whenever I hear you sing There is a sun
It'll come, the sun
I hear them call me down I held you once, a love that once
Life had just begun and you're all I see
And trumpets blew, and Angels flew on the other side dear
And you're all I see, and you're all I'll need
There's a love that God puts in your heart
