

space man (Par Lo)

Aaron Neville

Hey la, um de hey oh la
Said, hey la, um de hey oh le
Hey, hey, hey, hey oh la
Said hey, oh hey, feelin' good today
One day as I was a havin' myself a party
You know a flyin' saucer landed right by my side
You know a big green man jumped out and boy, you know he robbed me
You know he beat me for my bottle before I got highI hit' up knowing that I was dead
Because he had that big ray-gun pointed at my head
But curiosity will get the best of the best
You know he smelled that bottle and the liquor did the restAnd I said, hey la, um de hey oh la
Hey la, um de hey oh le
Hey, hey, hey, hey oh la
Hey, oh hey, it ain't over yetTurned that bottle up and started drinking
It was a long, long time before he pulled it away
His eyes got crossed and man, his knees started wobblin'
He took four steps forward and this is what he saidHe said, hey la, um de hey, oh la
Hey la, um de hey, oh le
He said hey, hey, hey, hey oh la
Hey oh la, feel good todayI could see this cat was just about to party
Because he had that great big grin in his eye
He said come on hurry on down, let's forget our troubles
Just jump in my space hot-rod and take a little rideSo now I'm not afraid of no kind of space man
Because I keep my defenses by my side
And if you ever see me any place or any time
You can bet I'm a holding my bottle by my sideAnd I'm gonna sing Hey la, um de hey, oh la
Hey la, um de hey, oh le
Hey, hey, hey, hey oh la
Hey oh hey, I feel good today
