Forgiveness

Matt Morris

I'm looking for forgiveness tonight
Yes, I'm looking for forgiveness tonight
I am not broken when lost
I am not whipped beneath her cross
I've cried for words been lost
And for all that I've done
I, I've pained done over the tears
I, I love for these painful years
I waited through my fears
Through aches of fire
I'm looking for forgiveness tonight
Yes, I'm looking for forgiveness tonight
Well I crawl before the throne
My beating heart and my wounded soul
My foolish pride
It seems I saw I brought my hardest

But I'm looking for forgiveness tonight
Yes, I'm looking for forgiveness tonight
Oh, heaven bring me fears
And mend this heart and are
As supple as roses
Oh, when will there be
A brand new start
Can we make it right
Cuz I'm looking for forgiveness tonight
Said I believe in second chances
I know I need one
I know I need you to let me come home
Please let me come home
Cuz I'm looking for forgiveness tonight
Yes, I'm looking for forgiveness tonight
