Don't Stop

Isa

I've always defended my crown
Nothing could make me back down
Living it up in this tow-ow-own
Until the day you came aroundAnd now I (Break down)
You're stuck inside my head
And I (Freak out)
Can't turn my head awayIt's like a spell, I got no clue
And now I don't know what to doMy heart is on the line yet it feels so good
You're under my skin, feel so close to you
So don't stop, don't stop (Don't stop, don't stop)
Don't stop, don't stop, don't you ever stopI wanna let you know, a little scared to show
But tonight will be the night I'm gonna go for you
Don't stop, don't stop (Don't stop, don't stop)
Don't stop, don't stop, don't you ever stopI'm loving the way that you move
The way that you dance to the groove
If I can just make you be mi-i-ine
I'll probably walk on Cloud Nine(Break down)
You're stuck inside my head
And I (Freak out)
Can't turn my head awayIt's like a spell you put me through
And now I don't know what to doMy heart is on the line yet it feels so good
you're under my skin, feel so close to you
So don't stop, don't stop (Don't stop, don't stop)
Don't stop, don't stop, don't you ever stopI wanna let you know, a little scared to show
But tonight will be the night I'm gonna go for you
So don't stop, don't stop (Don't stop, don't stop)
Don't stop, don't stop, don't you ever stopMy love is sweeter, sweeter than a candy cane
I'll take you downtown, I'll drive you insane
My love is sweeter, sweeter than a candy cane
I'll take you downtown, I'll drive you insaneMy heart is on the line yet it feels so good
you're under my skin, feel so close to you
So don't stop, don't stop (Don't stop, don't stop)
Don't stop, don't stop, don't you ever stopI wanna let you know, a little scared to show
But tonight will be the night I'm gonna go for you
Don't stop, don't stop (Don't stop, don't stop)
Don't stop, don't stop, don't you ever stopDon't you ever stop, stop, no no no
Don't you ever stop, stop, no no no
Don't stop, don't stop (Don't stop, don't stop)
Don't stop, don't stop, don't you ever stopDon't you ever stop, stop, no no no

Don't you ever stop, I'm gonna go for you
(Don't stop, don't stop, don't stop, don't stop)
Don't stop, don't stop (Don't stop, don't stop)
So don't stop, don't stop, don't you ever stop
