

# The Changeling - Alternate Version

## The Doors

Uh!  
Uha!  
Gedu! I live uptown  
I live downtown  
I live all around I had money, and I had none  
I had money, and I had none  
But I never been so broke  
That I couldn't leave town I'm a Changeling  
See me change  
I'm a Changelin'  
See me change I'm the air you breath  
Food you eat  
Friends your greet  
In the sullen street, wow See me change  
See me change, you I live uptown  
I live downtown  
I live all around I had money, yeah, and I had none  
I had money, yeah, and I had none  
But I never been so broke  
That I couldn't leave town Well, I'm the air you breath  
Food you eat  
Friends your greet  
In the sullen street, wow Ew ma!  
Uh, ah! You gotta see me change  
See me change  
Yeah, I'm leavin' town  
On a midnight train  
Gotta see me change  
Change, change, change  
Change, change, change  
Change, change, change  
Change, change, change  
Woa, change, change, change
