

CC Rider

Old Crow Medicine Show & David Rawlings

CC Rider, see what you gone done
CC Rider, see what you gone done
CC Rider, see what you gone done
Well hey, hey, hey, hey Well, you made me love you, now your man done come
Made me love you, now your man done come
Made me love you, now your man done come
Hey, hey, hey, hey You were standin' in the kitchen in that morning gown
Standin' in the kitchen in that morning gown
Standin' in the kitchen in that morning gown
Hey, hey, hey, hey I was lookin' right at her when that sun went down
Lookin' right at her when that sun went down
Lookin' right at her when that sun went down
Hey, hey, hey, hey
Well, CC Rider, see what you gone done
CC Rider, now see what you gone done
CC Rider, you'll see what you gone done
Hey, hey, hey, hey
