I'm So SICK

Slaphappy Bomb

I will break into your thoughts
With what's written on my heart
I will break, break
I'm so sick, infected with
Where I live
Let me live without this
Empty bliss, selfishness
I'm so sick
I'm so sick
If you want more of this
We can push out, sell out, die out
So you'll shut up and stay sleeping
With my screaming in your itching ears
I'm so sick, infected with
Where I live
Let me live without this
Empty bliss, selfishness
I'm so sick
I'm so sick
Hear it, I'm screaming it
You're heeding to it now
Hear it, I'm screaming it
You tremble at this sound
You sink into my clothes
This invasion makes me feel
Worthless, hopeless, sick
I'm so sick, infected with
Where I live
Let me live without this
Empty bliss, selfishness
I'm so, I'm so sick
I'm so sick, infected with
Where I live
Let me live without this
Empty bliss, selfishness
I'm so
(I'm so)
I'm so sick
(I'm so sick)

I'm so
(I'm so)
I'm so sick
(I'm so sick)
