Run

Thompson Square

I'm gonna buy a boat and sail
And I'm gonna grab the world by the tail
And I'm gonna live and love and believe
No matter what tomorrow bringsAnd I'm gonna run
As fast as I can
Hold every little moment in the palm of my hand
And I'm gonna fly
Right into the sun
Gravity can't stop me, I've already begun
I'm gonna run, run, runLove taught me how to cry
But life taught me how to fight
And time showed my eyes how to see
And I'm not afraid, 'cause now I'm freeAnd I'm gonna run
As fast as I can
Hold every little moment in the palm of my hand
And I'm gonna fly
Right into the sun
Gravity can't stop me, I've already begun
I'm gonna run, run, runWhen it feels like the world is crashin' down
I'll just keep your feet on the ground
And run, run, run
When your broken, tired, hurt, and scared
Let the wind take you there
And run, run, runAnd I'm gonna run
As fast as I can
Hold every little moment in the palm of my hand
And I'm gonna fly
Right into the sun
Gravity can't stop me, I've already begun
I'm gonna run, run, run
I'm gonna run, run, run
And I'm gonna run, run, run
I'm gonna run, run, run
