

# In Your Park

## Scorpions

In the night there is  
A gentle voice of silence  
So low and quiet  
She'll catch me 'cos I've been longing  
I want to walk in your park  
'Cos I'm alone  
I want to walk in your heart  
Where are you? I don't know  
I look around and see  
The sunshine in the morning  
Shadows in the night  
Like angels by your side in the alley  
On my journey I change the time  
Leave everything behind me  
Shadows in the night

Like angels by your side in the alley  
I want to walk in your park  
'Cos I'm alone  
I want to walk in your heart  
Where are you? I don't know  
I want to walk in your park  
'Cos I'm alone  
I want to walk in your heart  
Where are you? I don't know  
I want to walk in your park  
'Cos I'm alone  
I want to walk in your heart  
Where are you? I don't know  
I don't know, I don't know
