

When I Was A Young Girl (June 17 2007)

[Feist](#)

When I was a young girl I used to seek pleasure
When I was a young girl I used to drink ale
Out of the ale house down into the jail house
My body's outdated and hell is my doom Come mama come papa and sit you down by me
Come sit you down by me and pity my case
My poor head is aching my sad heart in breaking
My body's outdated and hell is my doom Please send for the preacher to come and pray for me
And send for the doctor to heal all my wounds
My poor head is aching my sad heart in breaking
My body's outdated and I'm bound to die One morning one morning one morning in May
I saw this young lady all wrapped in white linen
All wrapped in white linen and called out the plague
