Iâ€™ll Be There

Alex K

You and I must make a pact
We must bring salvation back
Where there is love I'll be thereI'll reach out my hand to you
I'll have faith in all you do
Just call my name and I'll be thereI'll be there to comfort you
And build my world of dreams around you
I'm so glad I found you
I'll be there with a love so strong
I'll be your strength
You know I'll keep holding onLet me fill your heart with joy and laughter
Togetherness
Well that's all I'm after
Just call my name and I'll be there
I'll be there to protect you
I'll be there with this unselfish love that respects you
Just call my name and I'll be thereI'll be there to comfort you
And build my world of dreams around you
You know I'm so glad I found you
I'll be there with a love so strong
I'll be your strength
You know I'll keep holding onIf you should ever find someone new
You know he'd better be good to you
Cause if he doesn't
Then I'll be there
Don't you know baby
Yeah yeah
I'll be there
I'll be there
Just call my name and I'll be thereYeah yeah yeah yeah
I'll be there baby
You know I'll be there
Just call my name and I'll be there
Just look over your shoulderI'll be there baby
You know I'll be there
Just call my name and I'll be there
Just call my name and I'll be there
