

He Knows What He's Doing

Jason Crabb

Verse 1:It hurts to see you this way

I'm lost for words there's so much I am wanting to sayThough I don't understand I'll hold your hand

I'll hold your handChorus:If I had it my way I'd take this from you but

God , He knows what Hes doing

So here while our hearts break we have to believe that God, He knows what Hes doing

Our God, He knows what Hes doingVerse 2:He's never failed us before

He has shown us His goodness, His love will endure

His ways are higher than our own

Whatever the road, whatever the roadChorus:If I had it my way I'd take this from you but

God , He knows what Hes doing

So here while our hearts break we have to believe that God, He knows what Hes doing

Our God, He knows what Hes doingBridge:One day we will see

One day we will find

All the answers to the question whyChorus:If I had it my way I'd take this from you but

God , He knows what Hes doing

So here while our hearts break we have to believe that God, He knows what Hes doingIf I had it my way I'd

take this from you but

God , He knows what Hes doing

So here while our hearts break we have to believe that God, He knows what Hes doing

Yes our God, he knows what Hes doingOhhh yeah
