

Don't Go Back to Dalston

Razorlight

It's a big big world
And you can do what you like
You can do anything you want
Because darling, it's your life But don't go back to Dalston
Don't go up the junction
Don't go round the houses
But just come back to me
Come back to me, come back to me
Come back to me It's a big big world
And you can do take your time
You've got your friends
And I've got mine Don't go back to Dalston
And no, don't go up the junction
Don't go round the houses
But just come back to me
Come back to me, come back to me
Come back to me
