Mama

Lea Salonga

(b. cherubini/h. barlow/p. brito/brixio)Mama, I miss the days when you were here beside me
Mama, those happy days when you were here to guide me
Safe in the flow of your love
Sent from the heavens above
No one can ever replace
The warmth of your tender embraceRefrain:
Oh, mama
Until the days that we're together once more
I live in this memory
Until the days that we're together once more(instrumental)Safe in the flow of your love
Sent from the heavens above
No one can ever replace
The warmth of your tender embrace(repeat refrain)Oh, mama
Once more...
