

Freja's Choice

Grand Magus

Truth in lying
Never can tell
Words that twist and betray
Lore of secrets
Casting her spell
Charms to lure you away Sorceress
Master of the Sejd
She'll light the way
Her eyes will leave a mark
Her dreams will fill the heart
Her name brings out desire
Riddles in the dark
She'll light the spark
Falcon wings forever soaring
Goddess of the fallen warriors home Fateful Beauty Glowing and pure
Turn your gaze down in awe
Golden Mistress Sowing the need
Sacrifice to receive
Maiden of the shield guides you ashore
The prize of war
Ride on silver wing
Let valkyries take you home Her gift is of love
A chance to be reborn
Falcon wings forever soaring
Goddess of the fallen warriors home
Falcon wings forever soaring
Goddess of the fallen warriors home
Freja's choice is always glory
Borne upon the blood-stained wings of war
Blood-stained wings of war
