

As Long As (feat. Payroll Giovanni)

Brielle Lesley

As long as my niqqaâ€™™ love me
I donâ€™™t need a fake hoe to stick up for me
Wonâ€™™t let another niqqaâ€™™ spend a nickel on me
Not as long as my niqqaâ€™™ love me
As long as my niqqaâ€™™ love me
Whatever I want he go and get it for me
I would never let another niqqaâ€™™ touch me
Fuck a niqqaâ€™™ if Iâ€™™m lonely I can get a puppy
As long as my niqqaâ€™™ love me

He ainâ€™™t ever lurkin
He to busy out here workin
All these other niqqa hurtinâ€™™
When he tell me that he love me,
I know that itâ€™™s for certain
Pick me up when Iâ€™™m down
Wipe my tears when Iâ€™™m hurtinâ€™™
I donâ€™™t fuck with hoes
These bitches always switchin
He told me not to trust them
Iâ€™™m like damn I shoulda listened
If he gotta leave for a minute imma miss him
He ainâ€™™t gotta worry ainâ€™™t nobody takin his position
Imma hold ya down, Iâ€™™m with ya till the end
I got your back when Iâ€™™m around
Iâ€™™m not too friendly with your friends
If I gotta problem he gonna did it for me
I can deal with the drama, long as my niqqaâ€™™ love me

As long as my niqqaâ€™™ love me
I donâ€™™t need a fake hoe to stick up for me
Wonâ€™™t let another niqqaâ€™™ spend a nickel on me
Not as long as my niqqaâ€™™ love me
As long as my niqqaâ€™™ love me
Whatever I want he go and get it for me
I would never let another niqqaâ€™™ touch me
Fuck a niqqaâ€™™ if Iâ€™™m lonely I can get a puppy
As long as my niqqaâ€™™ love me

I told her fuck the bar, the bar at home way bigger
Got your momma asking who your man a dealer
Same rows but my face bigger
See she met me every niqqa
She encounter and see my fake niqqaâ€™s

When I pull up to the crib like tuck this
Who donâ€™t ask goofy questions like
Whatâ€™s this ?
I call shot and one strips they just run glimpse
Bomb clicks only bosses I make funs with

They know sheâ€™s mine (????)
I got her steerin coupes
I steer her away from all the dumb shit
Iâ€™m a pro at dodging snakes and jakes
So listen to me when I tell you fuck them bitches
All them hoes fake

As long as my niqqaâ€™ love me
I donâ€™t need a fake hoe to stick up for me
Wonâ€™t let another niqqaâ€™ spend a nickel on me
Not as long as my niqqaâ€™ love me
As long as my niqqaâ€™ love me
Whatever I want he go and get it for me
I would never let another niqqaâ€™ touch me
Fuck a niqqaâ€™ if Iâ€™m lonely I can get a puppy
As long as my niqqaâ€™ love me

He ainâ€™t gotta wonder
He my Superman imma be his Wonder Woman
He know that I love him that ainâ€™t even up for discussion
Got me tryna speak on him
But they canâ€™t tell me nothin
Last year I had to let him get my income taxes
This year heâ€™s got that fifty balled up in my mattress
When he see me in the kitchen
My niqqaâ€™ get excited
He told me how to whip it just in case he get indited

Imma hold you down, ainâ€™t gonna hold you up
Itâ€™s ya against the world niqqaâ€™ I donâ€™t give a fuck
If I got a problem he gonna face it for me

I can deal with the drama long as my niqqaâ€™™ love me

As long as my niqqaâ€™™ love me
I donâ€™™t need a fake hoe to stick up for me
Wonâ€™™t let another niqqaâ€™™ spend a nickel on me
Not as long as my niqqaâ€™™ love me
As long as my niqqaâ€™™ love me
Whatever I want he go and get it for me
I would never let another niqqaâ€™™ touch me
Fuck a niqqaâ€™™ if Iâ€™™m lonely I can get a puppy
As long as my niqqaâ€™™ love me
