Dreamer and Screamer (2009 Remaster)

Loudness

Out in the peltin' rain
I gotta move on
It's always been the same
Another night of Rock 'n' Roll
Oh yeahI'll let you on to something
Nobody knows
It ain't no secret
I'm a big star, rock 'n' roller
Oh yeahHot shot kicker
Bet you think you're so cool
Just a big time poser* I'm a dreamer and screamer
I'm a dreamer and screamerSick of games
Gimme one nite stands
You think I'm crazy
You just don't understandI'm gonna push it
Make my dreams come true
There ain't no stoppin' me baby
Till I get through
Oh yeahSo if you're ready
Let's give it a chance
Rock 'n' Roll* Repeat
