

Dancing On a High Wire

The Alan Parsons Project

We're living in a different reality, we're toeing the same line
We give in we call it neutrality, a joke with no punchline
The silver plated hero meets the golden hearted whore
The odds'll give you zero, she'll be leaving in a few days more Movin' on forever
Maybe she don't care
Holding on together
Maybe it just ain't there You're dancing on a high wire
You need to be so sure
There used to be a lifeline
There isn't anymore We are the same with no similarity, talk at the same time
We believe in freedom and charity as long as I get mine
The ivory Madonna is walking through the door
You watch her from a window, it doesn't matter anymore Movin' on forever
Maybe she don't care
Holding on together
Maybe it just ain't there You're dancing on a high wire
You need to be so sure
There used to be a lifeline
There isn't anymore Movin' on forever
Maybe she don't care
Holding on together
Maybe it just ain't there You're dancing on a high wire
You need to be so sure
There used to be a lifeline
There isn't anymore Dancing on a high wire
You need to be so sure
There used to be a lifeline
There isn't anymore
