Sentimental

Porcupine Tree

Never want to be old
And I dont want dependents
Its no fun to be told
That you cant blame your parents anymoreIm finding it hard
To hang from a star
Dont want to be
Never want to be oldSullen and bored the kids stay
And in this way wish away each day
Stoned in the mall the kids play
And in this way wish away each dayI dont really know
If I care what is normal
And I m not really sure
If the pills Ive been taking are helpingI'm wasting my life
Hurting inside
I dont really know
And Im not really sureSullen and bored the kids stay
And in this way wish away each day
Stoned in the mall the kids play
And in this way wish away each daySullen and bored the kids stay
And in this way wish away each day
Stoned in the mall the kids play
And in this way wish away each day
