

# I Don't Care

## X-Perience

You told me it's a dream to be  
The one who spends the night with me  
We made love till the morning light  
And you did everything just right I don't care if you love me  
'Cause I don't love you anymore  
I don't care if you need me  
I know it can't be good for me The love left at the break of dawn  
While you were sleeping, sleeping on  
I wrote a letter on the floor  
'Cause I don't love you anymore I don't care if you love me  
'Cause I don't love you anymore  
I don't care if you need me  
I know it can't be good for me I don't care if you love  
'Cause I don't love you  
Anymore I don't care if you love me  
'Cause I don't love you anymore  
I don't care if you need me  
I know it can't be good for me It can't be good for me
