Tie-Dye

Ducktails

Sheet that was cut
Caught the blood was opened
Sheet that was cut
Caught the blood was opened and driedSheet that was cut and caught the blood
Was opened and dried and stretched out
Sheet that was cut and caught the blood
Was opened, dried and stretched out, hung on the wallThe sheet that was cut
Caught the blood was opened
The sheet that was cut caught the blood
Was opened and driedSheet that was cut and caught the blood
Was opened and dried and stretched out
Sheet that was cut and caught the blood
Was opened, dried and stretched out, hung on wall
