Hello, this is Gorgeous
Anybody out there read me?
10-4 I read you
My handle's gorgeous, pretty vacant, ehSubvert normality, fuck you

Subvert normalityYou got the money, I got the soul
You got the money, I got the soul
You got the money, I got the soul
Can't be bought, can't be ownedYou got the money, I got the soul
You got the money, I got the soul
Can't be bought, can't be owned
You got the money, I got the soulYou got the money
You got the money
You got the money
I got the soulI got the soul
I got the soul
I got the soul
I got the soulSigning off, this is Gorgeous
