Sweet Little Girl

The Powder Blues Band

Youâ€™re a Sweet Little Girl but I told you not to call me from School
Iâ€™m a Dozen Years Older your Daddy doesnâ€™t figure at school
Iâ€™ve never been afraid of playinâ€™ at love when Iâ€™m makinâ€™ the rules
There was something in your smile make me wind up playing the fool ahoo oo
Youâ€™re making it hard saying no yet youâ€™re making it hard
Youâ€™re making real hard saying no to a sweet little girl
Youâ€™re making it hard saying no Yes youâ€™re making it hard
Youâ€™re making real hard saying no to a sweet little girl

Youâ€™re a Sweet Little Girl but youâ€™re touch is like a woman on fire
I could say I was a but that would make me a liar
So please donâ€™t shout I know to well that could inspire
When you get to close thereâ€™s nothinâ€™ that could control my desire
Aoowo

Youâ€™re making it hard saying no, Yes youâ€™re making it hard
Youâ€™re making real hard saying no to a sweet little girl
Youâ€™re making it hard saying no yes youâ€™re making it hard
Youâ€™re make it so hard Yeah you know you make it real hard
Yes you do You make it hard. (Lead Break)

Youâ€™re a Sweet Little Girl, Youâ€™re a Sweet Little Girl
You make it so Hard, You know you make so hard
Youâ€™re a Sweet Little Girl, Youâ€™re a Sweet Little Girl
You make it so Hard, Yeah You know you make so Hard
Youâ€™re making it Hard, You make it Sooo Hard
Sweet Little Girl, You make it Hard Hard Hard
