

Talking to You

Izzy Bizu

Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you Just for what was were you waiting?
Let me see and feel your hesitating
I'll be there when you wake up, darling Yeah, I'm talking to you God knows just how you're feeling
What a shot, this is your moment, oh
And I'll be there when you wake up, darling Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you Just it is, the pressure's buildin' up
I guess then you're wastin', and givin' up
I'll be there when you wake up, darling Yeah, I'm talking to you Sometime they don't know the answer
She says nothing, they can give you help
I'll be there when you wake up, darling Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you It's like a needle right through your chest
And the pain just to forget
I'll be your pain relief, baby, burn reliever Yeah, I'm talking to you Oh, when you feel like you've had enough
And it just gets too much
I'll be there when you wait, just another day Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you
Yeah, I'm talking to you Just it is, the pressure's buildin' up
I guess then you're wastin', and givin' up
I'll be there when you wake up, darling
