

# Tattoo (Max Methods Remix)

Jordin Sparks

Hey, hey, hey, hey, oh, oh, oh  
No matter what you say about love,  
I keep coming back for more,  
Keep my head in the fire,  
Sooner or later I get what I'm asking for  
No matter what you say about life,  
I learn every time I bleed the truth is a  
Stranger soul is in danger  
I gotta let my spirit be free, to  
Admit that I'm wrong and then change my mind  
Sorry but I have to move on and leave you behind  
I can't waste time so give it a moment  
I realize nothing's broken  
No need to worry bout everything I done  
Live every second like it was my last one  
Don't look back got a new direction  
I loved you once  
Needed protection  
You're still a part of everything I do  
You're on my heart just like a tattoo  
Just like a tattoo I'll always have you  
I'll always have you  
I'll always have you  
I'm sick of playing all of these games  
It's not bout taking sides  
When I looked in the mirror,  
It didn't deliver, it hurt enough to think that I could stop  
Admit that I'm wrong and then change my mind  
Sorry but I got to be strong and leave you behind  
I can't waste time so give it a moment  
I realize nothing's broken  
No need to worry bout everything I done  
Live every second like it was my last one  
Don't look back got a new direction  
I love you once  
Needed protection  
You're still a part of everything I do  
You're on my heart just like a tattoo  
Just like a tattoo  
I'll always have you  
I'll always have you  
I'll always have you  
If I live every moment,  
Won't change any moment,

There's still a part of me in u  
I will never regret you  
Still the memory of you  
Marks everything I do, oh I can't waste time so give it a moment  
I realize nothing's broken no need to worry bout everything I done  
Live every second like it was my last one  
Don't look back got a new direction  
I loved you once  
Needed protection  
You're still a part of everything I do  
You're in my heart just like a tattoo I can't waste time so give it a moment  
I realize nothing's broken no need to worry bout everything I done  
Live every second like it was my last one  
Don't look back got a new direction  
I loved you once  
Needed protection  
You're still a part of everything I do  
You're in my heart just like a tattoo Just like a tattoo  
I'll Always have you
