

# I Should Care

June Christy

I know I should pity me  
But I don't because, you see  
I have loved and I have learned  
And as far as I'm concerned I should care  
I should go around weeping  
I should care  
I should go without sleeping Strangely enough I sleep well  
'Cept for a dream or two  
But, then, I count my sheep well  
Funny how sheep can tell you to sleep, so I should care  
I should let it upset me  
I should care  
But it just doesn't get me
