Sunflowers

La Casa Al Mare

When my day dreams
meet your safety
like a mad star
we wonâ€™t fall
together in the sky
in a sky too small
we wonâ€™t fall
but weâ€™ll wander
this neighborhood makes us alive
and when cold will come
weâ€™ll be ready to wander
like a mad star
we wonâ€™t fall
we wonâ€™t fall
but weâ€™ll wander
these sunflowers remind us
that we canâ€™t control
I know when
weâ€™re so sweet
forever
but we couldnâ€™t live anywhere else
