B.G.

You know I'm back, blunt in my mouth, gat in my hand
It's the heart of the streets call me the trigger man
B Gizzle one of the realest niggas in the game
You ain't know I been 'bout to shoot 'em up an bang, bang I'm affiliated with OG's from state to state
East, west, north, anywhere in the south, it's straight
I left Detroit, police was fuckin' with me every day
I beat 3 pistol cases then I skated to the AI'm fuckin' with the king, a lotta niggas drove
'Cause they already know we probably fuckin' they hoe
I'm in the back of the club gettin' fulla the dro
We drunk 2/5ths of Patron, fuck it, order some Moe It's almost 4 in the mornin', I ain't ready to go
Whatever happens is jus' happenin', keep it on the low
Oh, it's official, the hottest of the hot back, put ya hands
Up an' let me see where the block at Back it up for a minute, let it drop for a minute
You know me, I'm B Gizzle an' I been hot for a minute

Remindin' these niggas 'cause they forgot for a minute Back it up for a minute, let it drop for a minute
Choppa City got New Orleans on lock for a minute
Back it up for a minute, let it drop for a minute
They call me B Gizzle an' I been hot since the beginnin' You ain't never met a G like me
Fitted hat fresh one's an' the crisp white T
Couple mill in the states, couple mill overseas
Couple hundred worth of jewels 'cause I love the bling bling Yes, I keep it gutta gutta, I be doin' my thing
On the I-10 switchin' lanes in the Benz or the Range

He with me, he with me an' they got the 44 Streets on lock, work on the set
An' if ya wanna smoke, I got the purp on deck
Get it outta line, get ya T-shirt wet
An' whoever ridin' with ya, trust me, they can get it next Back it up for a minute, let it drop for a minute
You know me I'm B Gizzle an' I been hot for a minute
