

Chances

Stealpot

Take all your chances while you can
You never know when they'll pass you by
Like a sum the mathematician cannot solve
Like me trying my hardest to explain
It's all about your cries and kisses
Those first steps that I can't calculate
I need some more of you to take me over
 Take me over
 If I had the chance to start again
Then you would be the one I'd come and find
 Like the poster of Berlin on my wall
 Maybe there's a chance our walls might fall
 It's all about your cries and kisses
 Those first steps that I can't calculate
 I need some more of you to take me over
 It's all about your cries and kisses
 Those first steps that I can't calculate
 I need some more of you to take me over
 I know I because I can't calculate
 How to start again
 How to start again
 How to start again
 How to start again
 It's all about you
