

# Steady My Heart (Acoustic Live)

**Kari Jobe**

Wish it could be easy  
Why is life so messy  
Why is pain a part of us  
There are days I feel like  
Nothing ever goes right  
Sometimes it just hurts so much But You're here  
You're real  
I know, I can trust You Even when it hurts  
Even when it's hard  
Even when it all just falls apart  
I will run to You  
Cause I know that You are  
Lover of my soul  
Healer of my scars  
You steady my heart (x2) I'm not gonna worry  
I know that You got me  
Right inside the palm of your hand  
Each and every moment  
What's good and what gets broken  
Happens just the way that You plan
