I'm Not Going (feat. Oh Land)

Tricky

Over
Until my head hurts
Over
Until my brain works
Endure
Endure
Over
Be my sweetheart
Over
That's where the pain starts
Endure
I'm not really into it
I'm not really into it
Click and I'm dead
I'm not really into it
I'm not really into it
Click and I'm dead
Click and I'm deadWe go into
I fade away into
Over
Where have you been though
Over
What do you think of
Endure
I'm not really into it
I'm not really into it
Click and I'm dead
I'm not really into it
I'm not really into it
Click and I'm dead
Click and I'm deadWe go away into
Affect into
Over
Where have you been though
Over
