Kiss Me On My Neck

Erykah Badu

I want somebody to walk up behind me
And kiss me on my neck and breathe on my neck
I want somebody to walk up behind me
And kiss me on my neck and breathe on my neckBeen such a long time

I forgot that I was fine

Just kiss me on my neck and breathe on my neck I want somebody to walk up behind me

And kiss me on my neck and breathe on my neckIf you want to feel me

Better be divine

Bring me water, water for my mind

Give me nothin

Breathe love in my air

Don't abuse me

Cause these herbs are rareIf you want to feel me

Better be divine

Bring me water, water for my mind

Give me nothin

Breathe love in my air

Don't abuse me

Cause these herbs are rareIf you want too feel me baby

Better be divine

Bring me water for these flowers

Growing out my mindGive me nothin' just be gentle

Breathe love in my air

Use me, don't abuse me, love me

Cause these herbs are rareIf you want to feel me

Better be divine

Bring me water, water for my mind

Give me nothin

Breathe love in my air

Don't abuse me

Cause these herbs are rareIf you want to feel me

Better be divine

Bring me water, water for my mind

Give me nothin

Breathe love in my air

Don't abuse me

Cause these herbs are rareIf you want to feel me

Better be divine

Bring me water, water for my mind
Give me nothin
Breathe love in my air
Don't abuse me

Cause these herbs are rareI want somebody to walk up behind me

And kiss me on my neck and breathe on my neck

I want somebody to walk up behind me

And kiss me on my neck and breathe on my neckBeen such a long time

I forgot that I was fine

Just kiss me on my neck and breathe on my neck
I want somebody to walk up behind me
And kiss me on my neck and breathe on my neck(breakdown till end)
