

Mark Of The Beast

Orko

[Verse 1 - Akir][Verse 2 - Beast 1333]Yo, the world a? mess

We all lust the flesh

I won't stop till the people see success

So many beat to death

So many people left

With the mark of the beast, can't cheat the test

You bear the mark, I bear the mark

With the blood in the waters they're for sharks

Now everybody want to Be quoting Marx

Less of the bite, and more of a bark

In a world of fake's

Here's what it takes

Gotta have big balls, not baby grapes

At a crazy pace

Let's do it face to face

The whole race chase waste space age sensash

With a warm embrace

They go and stab your back, it's so wack

That the hacks flapjack the tracks

And when the bombs attack, we gon' Bomb 'em back

Whit the cold facts rap tracks catch a jax

There's no latch attached

You can't own a soul

So don't go go scroll

Po Po Patrol

Lets go toe to toe like pro dojo

Throws sold your soul so don't go so slow

No need to crow, no need to flip

What we need is a change in leadership

Won't even give a? chance to plead the fifth

Before the radar go from bleep to blip, bitch

[Verse 3 - Immortal Technique]You think I don't notice the line when you cross it?

I'm like the mind of a genius trapped in a Cerebral palsy

You underestimate the hood, you think niggas is stupid

We read the country's credits, niggas know who produced it

Why the fuck you think they're pushing military recruitments

America been platinum, and she ain't afraid of recoupment

So when you try to close the border, and don't let us in

I'll overthrow California with 20 million Mexicans
Cubans and Chinese who came looking for freedom
Till they realized America was runned by demons
And I don't mean George Bush, he was a fuckin' zero
More like the Roman emperor Nero
Who did nothing while the black slum turned to Atlantis
I mean those behind the canvans that made the mechanics
And then planned it
It sounds simple, but stupid niggas won't understand it
Untill the mark of the beast has your face branded, nigga
