He Only Sees the Blood

Carroll Roberson

Unworthy to receive
The blessing God has given me
The vilest of them all is how I feel
But I belong to Him
And He cannot see my sin
Because the blood of Christ now hides it all

Chorus:
When God sees me He only sees the blood
He no longer sees me as the wretched man I was
Before His grace condemned is how I stood
But Iâ€™m saved today
When God looks my way
He only sees the blood

And since the days of old, the prophets all foretold
How the Lamb of God would bleed and die
I praise Him for the day
When forgiveness came my way
And mercy flowed down from His bleeding side

(Repeat Chorus)

He only sees the blood
