Here No More

The Breeders

Not lost
But gone before
Here no more, here no more
Each day the long light dims and fades
Not lost
But gone before

Creation sinks
Mountains bring
Ages born through memory and lore
Upon a saw tall timbers fall
Here no more, here no more

The light shines close
Echoes low
Of your sweet voice
I weep and mourn
Upon a saw tall timbers fall
Here no more, here no more

Not lost
But gone before
Here no more, here no more
Each day the long light dims and fades
Not lost
But gone before

Each day the long light dims and fades
Here no more, here no more
