

WALK (Kuroko no Basuke TV-2 ED 1)

OLDCODEX

Wake up fail again, attempt to whisper back
Do you have the same dream every night ?
Furueteta toki e tsunagaru Sousa kimi mo subete wo kakete
Tatakau basho e tobidashitara
You can believe it
That's the way it have to be Win or not what's worth the meaning
Nowhere so deep, fade away
Miushinatta mono ga ooi ki ga shita
Blink about the miracle So tell ask yourself, Walk out hit the sound
Ano hi no rizumu ima kizamu
Yes I'm reaching out, Walk on everlong
Tooku ni miteta mirai tsukanda Red pulse rushing through, and I can hear you
Afureta noizu wo kakinarasu
Miraizu wa awa no you ni
Attract to the miracle Keep track of little voice, left and right, upside down
Everytime you say again, annoyed of your story
Usureyuku kioku no naka de Koukai shite mo hajimaranai sa
Kangaesugite ki wo nogashitara
Let it clear out
That's the way it should be To find a word to say to you
Sail in high seas, intercept
Kakujitsu wo te ni shita kono shunkan wo So tell ask myself, Walk now watching at
Hanpa na sugata mi sezu ni naite
Yes you're reaching out, Walk then searching for
Kechirasu ima wo sutezu ni egaite Blue pulse rushing through, and you can hear me
Mayowazu asu e to gia agete
Genkai wo koete ikeba
Splash to the miracle Bling back the Catalyst and beat will go on
About time now I'm ready to face the fate Better to go or not, and to be or not
Subete jibun de kimete yuke
In the lost and found, picking up the sign
Hitsuzen to kanjita what are the chances ?
Sou aizu wa ima kimi no te ni mo Wake up fail again, attempt to whisper back
I'm a loser, expecting to become the one So tell ask myself, Walk now watching at
Hanpa na sugata mi sezu ni naite
Yes you're reaching out, Walk then searching for
Kechirasu ima wo sutezu ni egaite So ask yourself, Walk hibiku
Ano hi no rizumu ima kizamu
Yes I'm reaching out, Walk on everlong

Tooku ni miteta mirai tsukandaRed pulse rushing through, and I can hear you
Afureta noizu wo kakinarasu
Miraizu wa awa no you ni ukande
Ajiken tonde Attract to the miracle
