

Death Of Me

Ramones

We've got to stop this crazy carrying on
It's gonna be the death of you
Stop this crazy carrying on
It's gonna be the death of meIt's gonna be the end you see
It's gonna be the death of weIf we don't stop this crazy carrying on
It's gonna be the death of you
Stop this crazy carrying on
It's gonna be the death of meIt's gonna be the end you see
It's gonna be the death of meAnd I feel like I'm gonna die
I don't feel so good inside
Why baby, why, why, why?
But I had a good time, you know I had a good nightIf we've got to stop this crazy carrying on
It's gonna be the death of you
Stop this crazy carrying on
It's gonna be the death of meIt's gonna be the end you see
It's gonna be the death of meAnd I feel like I'm gonna die
I don't feel so good inside
Why baby, why, why, why?
Boy, I had a good time, you know I had a good nightI feel like I'm gonna die
Why baby, why, why, why?
I don't feel so good inside
Boy, I had a good time, you know I had a good night, alright
