

Umbrella

Taylor Swift

You had my heart
We'll never be worlds apart
maybe in magazines
but you'll still be my star.
Baby cause in the dark
you can't see the shiny cars
that's when you need me there with you
i'll always share
Because

[Chorus:]

When the sun shine, we'll shine together
Told you I'll be here forever
Said I'll always be a friend, Took an oath, imma stick it out till' the end
Now it's raining more then ever, know that we'll still have eachother
You can stand under my umbrella, You can stand under my umbrella
Ella-ella ehh-yeah-ehh, under my umbrella Ella-ella ehh-ehh-ehh-eh-eh-eh

Fancy things will never come in between
You're part of my entity, here for infinity
When the world has took its part
When the world has delt its cards
If the hand is hard, together well mend your heart
because..

[Chorus]

Ohh baby it's raining in the Zury, ohh it's raining
you can always come in to me, ohh come into me
(x2)
