

What A Shame

The Rolling Stones

What a shame
Nothing seems to be going right
What a shame
Nothing seems to be going right
It seems easy to me that everything can be alright

What a shame
They always want to start a fight
What a shame
They always want to start a fight
Well it scares me so
I could sleep in the shelter all night
Well alright

What a shame
You all heard what I said
What a shame
y'all heard what I said
You might wake up in the morning
And find your poor self dead
