# She Walks Beautiful

## Amy Studt

She walks alone and when she loves, her love's so wrong
She don't need a man
She won't stand by what she can't stand
Like why like in wars you all stand in line
Now watch her pass you by
She knows her sins with humility
And reaches for the lightWith aching knees and back the way is hard to bear
but she carries it with a smile
She walks beautiful, she walks beautiful
she walks beautiful by herself
She walks beautiful, she walks beautiful
she walks beautiful by herselfShe walks alone
she's not invited to parties
so she's just alone
All alone
to feel the high she bears the lowsShe doesn't call out like the others in the night
in despair and loneliness
She walks beautiful, she walks beautiful
she walks beautiful by herself
She walks beautiful, she walks beautiful
she walks beautiful by herselfAyaheaheah Ayaheaheah Ayaheaheah Ahohohoh
Ayaheaheah Ayaheaheah Ayaheaheah Ahohohoh
Ayaheaheah Ayaheaheah Ayaheaheah Ahohohoh
Ayaheaheah Ayaheaheah Ayaheaheah Ahohohoh
Ayaheaheah Ayaheaheah Ayaheaheah AhohohohShe walks beautiful, she walks beautiful
she walks beautiful by herselfAyaheaheah Ayaheaheah Ayaheaheah Ahohohoh
Ayaheaheah Ayaheaheah Ayaheaheah Ahohohoh
Ayaheaheah (Ayaheaheah Ayaheaheah Ahohohoh)
She walks beautiful, she walks beautiful
she walks beautiful by herself
She walks beautiful, she walks beautiful
she walks beautiful by herself
She walks beautiful, she walks beautiful
she walks beautiful by herself
